## Patient Consent for Non- Medicare Rebatale Tests

The pathology request that you have been given by your medical practitioner includes a test (PTHrp; Parathyroid Hormone related peptide) which is not covered by Medicare and the full cost of the testing must be covered by the patient.

Alfred Pathology Service requires your consent to proceed with this testing with the full understanding that you will accept responsibility for payment.

The cost of the investigation your doctor has requested is \$120.00.

This test will be carried out by Sullivan Nicolaides Pathology and they will bill you directly for the test.

If you agree to accept responsibility for payment and therefore wish to proceed with testing, please complete the fields below which will be forwarded to Sullivan Nicolaides Pathology along with your specimen.
